

PILOTAGE FEES 2021

The Board of Directors at Finnpiilot Pilotage Ltd determines the unit price, the reduced unit price and other possible commission fees. The fee is based on the tonnage of the vessel in question and the distance to be piloted. The pilotage fee is charged for each beginning nautical mile. A fee based on a lower unit price is charged for pilotage in the Saimaa Canal and the Saimaa waterways. The fees below are valid 1.1. - 31.12.2021.

Pilotage fees for Finnish waterways (VAT 0 %)

				Additional fee*	8	9	11

*An additional fee will be charged for each beginning nautical mile over 60 nautical miles, as calculated in accordance with the tonnage of the vessel in question.

Standby fee

If the pilot has arrived at the vessel or pilot station as requested, but the pilotage does not get underway within an hour of the pilot's arrival, the vessel shall be charged a standby fee until the pilotage begins or the pilot departs from the vessel or pilot station. The standby fee in Finnish territorial waters is EUR 500 for each new hour beyond the initial hour. The standby fee in the Saimaa Canal and Saimaa waterways is EUR 250 for each new hour.

A fee of 250 euro per pilot will be charged for each beginning hour that the pilot is requested, by the customer, to wait on the vessel between pilotage assignments.

Cancellation fee

If the pilot is notified en route to the vessel, when he arrives at the vessel, or during the standby period that the vessel will not employ a pilot, the vessel shall be charged a minimum standby fee of two hours. A minimum cancellation fee of EUR 1,000 will be charged within Finnish territorial waters and a minimum of EUR 500 in the Saimaa Canal and Saimaa waterways.

Change in pilotage initiated by the client

The vessel agent or crew shall submit a binding pilotage request to the Pilot Order Centre two (2) hours before the vessel is due to depart from the port. If the binding pilotage request is changed after the order has been placed, Finnpiilot is entitled to charge the ordering party for any costs incurred. This signifies a minimum fee of 500 euro along the coastal areas and 250 euro in the Saimaa region.

Increased basic fees

When pilotage service is provided by two pilots, either according to the Pilotage Act 10 § or by request, an increased fee of 50 per cent in addition to the basic rate shall be charged.

Pilotage fees for a vessel combination and stock flatboat/float

A pilotage fee will be charged for the combined tonnage of a tugboat or pusher, and the ship, vessel, barge or similar being towed or pushed, or for an integrated tug barge combination. The pilotage fee for a stock flatboat/float is also determined by tonnage, but the tonnage is understood to be half of the number of cubic metres.
