

FINNPILOT

PILOTAGE FEES 2024

In accordance with the Pilotage Act, the Board of Directors at Finnpilot shall determine the unit price, the reduced unit price and other possible commission fees. The pilotage fee is based on the tonnage of the vessel in question and the distance to be piloted. The pilotage fee is charged for each beginning nautical mile. A fee based on a lower unit price is charged for pilotage in the Saimaa Canal and the Saimaa waterways. The pilotage fees shown below are valid from 1 January 2024. Value-added tax is added to the pilotage fees in accordance with the valid provisions of the Value Added Tax Act.

Pilotage fees in Finnish waterways (0% VAT)

				Additional fee*	9,30	10,40	12,70

*An additional fee will be charged for each beginning nautical mile over 60 nautical miles, as calculated in accordance with the tonnage of the vessel in question.

Standby fee when the pilot has arrived at the vessel or pilot boarding position

If the pilot has arrived at the vessel or pilot boarding position as requested, but the pilotage does not get underway within an hour of the pilot's arrival, the vessel shall be charged a standby fee until the pilotage begins or the pilot departs from the vessel or pilot boarding position. The standby fee in Finnish territorial waters is EUR 500 for each new hour beyond the initial hour. The standby fee in the Saimaa Canal and Saimaa waterways is EUR 250 for each new hour.

Standby fee by the client's request

Upon the request of the client, it is possible for the pilot to wait on the vessel for the next pilotage assignment or for disembarkation from the vessel. The pilot's waiting time aboard the vessel is always agreed on in advance. The possibility for this must be inquired about from the Pilot Dispatch Centre. Finnpiilot decides whether or not pilots may wait aboard a vessel on a case-by-case basis. The standby fee for waiting aboard the vessel as per client request is EUR 250 for each new hour.

Example of a situation in which a pilot is asked to wait aboard by the client's request: It is well known that due to high winds, for example, a pilot will not be able to disembark a departing vessel at the specified pilot boarding position. In this case, Finnpiilot and the client can jointly agree that the pilot will remain on the vessel until the next port and Finnpiilot will invoice a fee of 250 euro for each new hour beyond the ordered pilotage period.

Fee for changing pilotage order

If the binding pilotage request is not cancelled but changed after the set ordering time has expired, Finnpiilot is entitled to charge the ordering party a fee of EUR 500 along the coastal areas. In the Saimaa Canal and Saimaa waterways, the fee is EUR 250.

Cancellation fee

If the client or a representative of the client cancels pilotage after the set ordering time has expired, the vessel will be charged a waiting fee of at least two hours. A minimum cancellation fee of EUR 1,000 will be charged within Finnish territorial waters and a minimum of EUR 500 in the Saimaa Canal and Saimaa waterways.

Increased basic fees

When two pilots pilot the vessel, either according to section 22 of the Pilotage Act or by request, an increased fee of 75 per cent in addition to the basic rate shall be charged.

Pilotage fees for a vessel combination and stock flatboat/float

A pilotage fee shall be charged for the combined tonnage of a tugboat or pusher, and the ship, vessel, barge or similar being towed or pushed, or for an integrated tug barge combination. The pilotage fee for a stock flatboat/float is also determined by tonnage, but the tonnage is understood to be half of the number of cubic metres.
